- E. Phragmites Project Update
- F. Next Meeting

2. Agenda discussions:

A. June & July Meeting Summary Review :

Both the June & July meetings' summary notes have been approved.

B. Aquatic Plant Control – Harvesting Update:

Younes stated that the harvesting has been scheduled to begin on Monday, August 16.

C. Dam Update:

No update as Paul Pratt was not present. Younes stated that Paul had called him earlier today to say that he will not be able to attend today's meeting, but he should be at the September meeting. Paul also mentioned to Younes that the latest Dam report was provided to the Township in 2007. Younes shared the report with committee member.

D. Phosphorous Ordinance Update:

Steve Culling mentioned that he's been talking with John Scherbarth, of the Environmental Commission, regarding joint PSA for the phosphorous educational campaign.

E. Phragmites Project Update:

Pat Witte stated that Leslie Kuhn is working on a brochure and article for the Towne Courier regarding the phragmites eradication efforts from county's park area within the Lake Lansing watershed, including helicopter application for inaccessible areas. The

brochure will be sent to all impacted property owners. In advance of the treatment work planned for early to mid September, the Mid-Michigan Stewardship volunteers will hold a meeting to plan & coordinate treatment activities including notifications and media coverage.

Pat asked the Advisory Committee members for their input as to what should be included in the brochure and article. To that end, it was agreed to have Pat & Tim McCarthy review the draft of the brochure and article.

F. Next Meeting:

The next meeting will be September 14, 2010 at 5:30.

Adjournment: 6:10

Approved:

Larry Wagenknecht, Chair
