**How It Works:** Each team captain will be responsible for their own tee off box and "green". If there is snow, you will need to shovel/snow blow to make a putting surface. Holes will already be drilled 1 inch deep with an ice auger and flag pole erected. Decorate, post signs, serve snacks and make your hole the best for awards!

**Tips:** If there is a lot of snow, white golf balls may not be a good idea! Bring as many clubs as you want but leave the woods at home.

**Call Blake and Jill Weston At 339-6828 today to reserve your hole!**
